

**NOTICE OF LICENSED INSURANCE BROKER STANDARD FEE AND
COMPENSATION FOR CALENDAR YEAR 2015 IN ACCORDANCE
WITH TITLE 33 VERMONT STATUTES 1805 (17)**

Pursuant to 18 V.S.A. §§ 1803, and 1805 (17), the Commissioner for the Department of Vermont Health Access is charged with the mandatory duty to set compensation schedules for licensed insurance agents and brokers.

The fee schedule is to compensate agents and brokers for their assistance and services to eligible employers, employees and individuals to enroll into qualified health plans (QHP's) for the calendar year 2015.

The following are the specifics of the schedule for calendar year 2015 only:

1. The 2015 broker fee schedule will be a maximum of \$20.00 per month for each employee or individual who designates a registered broker and receives assistance in enrolling into a QHP.
2. The monthly fee for employers will be based on the number of employees enrolled as of January 2015 and will not vary from month to month.
3. If the plan is not a calendar year plan, the monthly fee will be based on the number of employees in the plan in the first month of the plan. The fees will not vary for the remainder of the calendar year.
4. No subsidies will be provided by the Department of Vermont Health Access for broker services.
5. Brokers are authorized to enter into alternative contractual arrangements with their clients, including additional services, and will bill its client directly for the monthly fee.
