

It's MEDICAID RENEWAL Time!

If you or your children receive health coverage from Medicaid or Dr. Dynasaur, here's what you need to know about Medicaid renewals

- ✓ If you have questions or need more information, you can call the Customer Support Center toll-free at 855-899-9600 from **8am to 5pm**, Monday through Friday.
- ✓ You can renew by **phone or by mail** (renewal form is included in the renewal notice you receive in the mail). By phone is usually the easiest and fastest.
- ✓ If you are enrolled in Medicaid/Dr. Dynasaur, you must report changes in your household within **10 days**. Don't wait for a renewal letter to report income or other household changes!
- ✓ If you are uninsured, the federal government will charge you a fee when you file your taxes. (For 2016 the federal fee is **\$695** or more per uninsured adult.) This fee can be avoided by acting early.

A HEALTHIER YOU. A HEALTHIER VERMONT.

Having health coverage is an important first step to health and well-being.

And, with all of the benefits you get, health insurance is also a smart investment.

Vermont nearly cut its uninsured rate in half from 2012 to 2014, down to **3.7%**.

To reach the goal of health coverage for every Vermonter, we need every Vermonter to do their part.

If you have friends or family who get health coverage through Medicaid or Dr. Dynasaur, ask them if they've received letters. If they haven't received one yet, they should in the weeks or months ahead. If they've recently moved, encourage them to call and make sure their contact information is correct. And if they don't have coverage, tell them to sign up.

VERMONT HEALTH CONNECT IS HERE FOR YOU.
