Learn About Health Reform and Vermont Health Connect

Vermont Health Connect is a new health insurance marketplace, launching in October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. You're invited to a community forum with Robin Lunge, Director of Health Care Reform, to learn about Vermont Health Connect and upcoming health reforms.

We'll be covering topics including insurance market reforms that start in 2014, who can get coverage, what the marketplace will offer, financial help available to many Vermonters and more.

Snacks will be served.
