

Learn more about health reform and the new Vermont Exchange, Vermont Health Connect

Vermont Health Connect is a new health insurance marketplace, launching October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. You're invited to a community forum with Deputy Commissioner Lindsey Tucker, the North Country Chamber of Commerce and the Community College of Vermont to learn about upcoming health reforms.

We'll be covering topics including insurance market reforms that start in 2014, who can get coverage through the Exchange, what the Exchange will offer and more.

Snacks will be served.
