

Have questions about health care in Vermont? We've got you covered.

Vermont Health Connect will offer a new way to choose a health plan that fits your needs and your budget. Both private and public plans will be available through Vermont Health Connect and, starting October 1, you'll have all the information you need to find the plan that's right for you – all in one place.

You're invited to a community forum with Lindsey Tucker, Deputy Commissioner, Department of Vermont Health Access, to learn about Vermont Health Connect and upcoming health reforms! We'll be covering topics including who can get coverage, new choices available to individuals and small businesses, financial help available to many Vermonters, and more.
