

Have questions about health care in Vermont? We've got you covered.

In 2014, **Vermont Health Connect** will be the one insurance marketplace for small businesses. Vermont Health Connect will make it easier for you to compare health plans side-by-side and make important decisions about your employees' health coverage, all in one place.

On September 18th join Director of Health Care Reform Robin Lunge and special guest Governor Peter Shumlin at a forum hosted by Vermont Health Connect and the Vermont Chamber of Commerce to learn the nuts and bolts about Vermont Health Connect!

You'll hear what Vermont Health Connect means for small businesses in Vermont. We'll cover topics including who can get coverage, new choices available to small business owners related to employees' coverage, tax credits, financial help available to employees if you don't offer coverage, and more. You will then have the opportunity to meet one-on-one with Vermont Health Connect staff and trained Navigators to get answers to *your* specific questions.

Continental breakfast will be provided.

Please **pre-register** at:
