

# Learn more about health reform and the new Vermont exchange, Vermont Health Connect

**Vermont Health Connect** is a new health insurance marketplace, launching October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. The Department of Vermont Health Access, Vermont Chamber of Commerce, Lamoille Region Chamber of Commerce, and the Stowe Area Association are co-hosting a small business forum to share updates about the Vermont exchange and answer your questions.

The forum will focus on what Vermont Health Connect means for small businesses in Vermont. It will cover topics including who can get coverage through Vermont Health Connect, the choices that small business owners will have related to employee's coverage, tax credits available now and more.
