

Open Enrollment 2023 Provides More Affordable Health Insurance for Many Vermonters

Open Enrollment is here! From November 1 – December 15, 2022, you can sign up for a health or dental plan that **begins January 1, 2023**. Additionally, you can sign up between December 16, 2022 – January 15, 2023, for a plan that **begins February 1, 2023**.

If you are looking to get health insurance, you may qualify for lower cost insurance when you sign up with Vermont Health Connect. Over 90% of people who are enrolled through the health insurance marketplace qualify for financial help. Vermonters in single plans may now qualify for financial help with incomes up to \$118,000. Those in family plans may qualify with incomes up to \$333,000.

The main form of financial help comes as a tax credit. Eligible Vermonters can take the tax credit as a discount on their monthly health insurance premium. Or they can get it all when they file their taxes. You can **only** get the tax credit if you sign up through Vermont Health Connect.

New this year, families with offers of employer-sponsored health insurance may have new opportunities to get financial help through Vermont Health Connect, even if before they were not eligible. Go to <https://bit.ly/VHCfg> to learn more.

Vermonters may save even more money by changing health plans. To help with plan selection, Vermont Health Connect's 2023 [Plan Comparison Tool](#) is live! The tool helps Vermonters choose a plan that best meets their financial and medical needs. It also estimates how much financial help they could get. When you are ready to sign up, go to www.VermontHealthConnect.gov and log in to your account or create a new one. Or call 1-855-899-9600. Get started soon. Don't wait to take care of your health insurance.
