Critical Age Changes

Effective 1/1/14:

19 26 65

Medicaid for Children and Adults (MCA) has no resource test.

1995 1988 1949

5% Disregard § 28.03(c)(4):

The 5% disregard is ONLY applied to the highest income test the individual qualifies for AND ONLY if it will make them eligible.

The 5% disregard is calculated by multiplying the 100% FPL for the HH size by .05 and adding it to the highest FPL the individual qualifies for.

Example: HH of (1) - 100% FPL for (1) = \$973 x .05 = \$48.65. Add the \$48.65 to the highest 133% amount for (1) which is the highest FPL the individual qualifies for.

\$1294 + 48.65 = \$1342.65 is the maximum income the individual can have and qualify for Medicaid for Adults. If \$1342.66 or higher, individual is ineligible.

The 5% disregard is calculated by multiplying the 100% FPL for the HH sized and adding it to the highest FPL the individual qualifies for.

The 5% disregard does NOT apply to Dr. Dynasaur premiums or APTC or CSR.

MCA SPENDDOWNS § 28.04:

- Individuals who ONLY meet the new adult category at 7.03(a)(5) and are over the 133% income test are ineligible for MCA Medicaid due to excess income AND are NOT allowed to "spend down."

- Spenddowns ARE allowed for pregnant women who fail the 208% FPL and children under 19 who fail the 312% FPL. If so, they must spend down to the applicable PIL.

- Spenddowns ARE allowed for parents or caretaker relatives who fail the applicable Parent/CR standard and the 133%.

- If the parent or caretaker relative fails the maximum income allowed for a parent/CR, go to the maximum income allowed for adult 133% FPL. If they fail, compare to the 138% FPL. If they fail both the parent/CR and they request a spenddown, calculate the spenddown using the PIL.

1/1/14 Premium Changes:

- Pregnant women no longer have Dr. Dynasaur premiums regardless of income.

- 195% FPL is the new premium threshold for Dr. Dynasaur children under 19 with HH income over 195% FPL.

- See P-2420 B for additional Dr. Dynasaur for Children premium levels.

- Transitional Medicaid - TM may or may not continue in 2014. Updates will be provided.
