Broker Compensation Schedule Calendar 2022

Health insurance brokers have played, and continue to play, a vital role in helping small employers and individuals buy the right health insurance plans for their needs and budget. Under 33 V.S.A. §§ 1803 and 1805(17), the legislature directed the Department of Vermont Health Access (DVHA) to establish a standard fee or compensation schedule that allows licensed brokers to be appropriately compensated for assisting eligible employers, employees and individuals to enroll into qualified health plans. Section 1805 also specifies that these broker fees are to be separate from health plan premiums. This memo announces the fee schedule that will apply to brokers for services related to the 2022 Vermont Health Connect plans.

NOTICE OF LICENSED INSURANCE BROKER STANDARD FEE AND COMPENSATION FOR CALENDAR YEAR 2022 IN ACCORDANCE WITH TITLE 33 VERMONT STATUTES 1805 (17)

Pursuant to 18 V.S.A. §§ 1803, and 1805 (17), the Commissioner for the Department of Vermont Health Access is charged with the mandatory duty to set compensation schedules for licensed insurance agents and brokers.

The fee schedule is to compensate agents and brokers for their assistance and services to eligible employers, employees and individuals to enroll into qualified health plans (QHPs) for the calendar year 2022.

As part of its procedures, the Department of Vermont Health Access reserves the right to hear appeals, and decide or alter compensation schedules based on complaints from the public regarding rates.

2. The monthly fee for employers will be based on the number of employees the employer has enrolled.
3. A mutually agreed upon compensation schedule, negotiated in good faith between a broker and a customer, represents a compensation schedule that allows the broker or agent to be appropriately compensated for their assistance and services; and may contain a monthly fee that differs from the default monthly fee listed above.
