 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, [www.bcbsvt.com/standard-cdhp-cert](http://www.bcbsvt.com/standard-cdhp-cert). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [co-insurance](#), [co-payment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$1,750 individual <a href="#">plan</a> / \$3,500 family aggregate.  <a href="#">Co-insurance</a> and <a href="#">co-payments</a> do not apply to the <a href="#">deductible</a> . This benefit combines your prescription drug and medical <a href="#">deductibles</a> .	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount each <a href="#">plan</a> year before this <a href="#">plan</a> begins to pay. If you have other family members on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay. Your <a href="#">plan</a> year: 01/01/2021 through 12/31/2021.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes, <a href="#">preventive care</a> , wellness drugs	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">co-payment</a> or <a href="#">co-insurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No. There are no other specific <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$6,900 individual <a href="#">plan</a> . Family plans have an individual <a href="#">out-of-pocket limit</a> of \$8,550 and \$13,800 aggregate family. <a href="#">Prescription drugs</a> : \$1,400 individual <a href="#">plan</a> / \$2,800 family. Medical and prescription drug out-of-pocket limits are combined.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a <a href="#">plan</a> year for covered services. If you have other family members in this <a href="#">plan</a> , the overall family <a href="#">out-of-pocket limit</a> must be met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, <a href="#">balance-billing</a> charges, adult vision care, adult dental services and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.bcbsvt.com/findadoctor">www.bcbsvt.com/findadoctor</a> or call (800) 255-4550 for a list of <a href="#">network</a> providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
